Subject: Brief Report on "Women's Journey in Journalism"

Madam

IQAC, WDC & Alumni Association has organised sharing of experience of Ms. Bhagyashree Kanade Khedkar, on her journey in the field of newspaper journalism to Zee media as a back office news editing in the Marathi news channel 'Zee 24 Tass'. She has recently completed 16 years of her journey in the same field. In this regard as an alumni of our college she has discussed how she opted for journalism after her graduation from our college.

She has shared her experience of interviewing politicians, people from the film industry and also covering the college events etc. She also shared her various work experiences with our students i.e. working in the electronic media as correspondence as well as working editorial skills in Marathi language, she hosted an event with Zee Marathi with Collaboration with CREDAI-MCHI for "Housing for All" Summit with Mr. Denvendra Fadnavis Ji.

In the last she had made an appeal to all the girls students to take up journalism as a good career option which even gives the dignity to women and develop the confidence in yourself.

The program ended with a vote of thanks.

Objectives of the event is to encourage our alumni to show maximum involvement in college activities.

2. Journalism is completely a new field as career option to B. Com students.

Nearly 71 students were attained this session & got benefits of this very important session.

Thank you

Yours faithfully
