

## **Best Practice 1**

### **1. Employability Skills**

#### **Objectives**

To create awareness about educational and career opportunities

To equip learners with employability skills

#### **The Context**

Career Guidance and Placement Cell functions as a catalyst in implementing our College vision and mission.

#### **The Practice**

Students registered for online courses by Infosys Springboard.

‘Career Mantra’, Annual Fair informing about varied Courses.

ADD-ON Courses conducted:

‘Campus to Corporate Careers’ by TNS

‘Disaster Mitigation and Management’ through Civil Defense

‘Basic Photography and Camera Techniques’

‘E-Filing of Income Tax and GST’

‘Introduction to Spoken Indian Languages’

Guidance Sessions on Internship, Resume-Writing, Tips to crack interview

#### **Evidence of success**

56 students were placed in different companies by TNS India

**68 successfully completed the ‘Time Management Skills’ Course by Infosys.**

More than 150 Students took advantage of the above courses.

Around 1000 students (inter-collegiate) interacted with 20 establishments offering varied courses.

#### **Problems encountered and Resources Required**

Students lack Communication Skills in English.

There is a need for a language laboratory (financial constraints).

Time Constraints: Many Courses are conducted after the lectures.

<https://www.ksmanjunathacollege.edu.in/media/BP-1-career.pdf>

### **2. Involvement with underprivileged children**

#### **Objectives**

To bring children of KDMC school to main stream of education and increasing attendance

Creation of enthusiasm by playing game and teaching dance and poem recitation so that schools permission& grant will continue.

#### **The Context**

This practise serves college mission of creating social conscience and committed learners. All the children have equal rights of education irrespective of which type of school they are getting educated. The KDMC school No 70, is one of such school with underprivileged children studying. It has only Two (2) teachers and 31 students from standrd 1st to 6<sup>th</sup>. These students are mostly the first learners of their family.

#### **The Practice**

Every week volunteers visits KDMC school no.70, and teaching the school students, the students from 4<sup>th</sup> to 6<sup>th</sup> standard are focused more. Celebration of Diwali, Holi, has created bonding between school children and our college learners. Inculcated habit of maintaining cleanliness for better health.

**Evidence of Success:** Nearly 08 students have got admission in Higher secondary school in nearby areas.

#### **Problems encountered and Resources Required:**

Teaching students from 1<sup>st</sup> to 4<sup>th</sup> standard is challenging. More financial assistance is required.
