

PARENT-TEACHER ASSOCIATION (PTA) MEETING REPORT

Academic Year: 2025-2026

Class: FYJC & SYJC

Date of Meeting: 07.11.2025

The Parent-Teacher Association (PTA) meeting for FYJC and SYJC classes was successfully conducted in the college premises. The main objective of the meeting was to discuss students' academic progress, attendance, discipline, and overall development.

A good number of parents attended the meeting and interacted with the teachers. The teachers shared individual student performance, highlighting strengths and areas that need improvement. Parents were also informed about internal exams, assignments, project submissions, and attendance requirements.

Important points discussed during the meeting:

- Academic performance of students
- Attendance and punctuality
- Discipline and behavior in college
- Importance of regular study and exam preparation
- Submission of assignments and projects on time

Parents shared their concerns and suggestions, and teachers guided them on how to support their children in studies at home. The meeting helped in strengthening communication between parents and teachers.

Overall, the PTA meeting was fruitful and helped in building a better understanding for the students' progress and development.
